

## 2e2

### Creating Business Advantage provider

2e2 is a systems innovator; an agile, customer-focused provider of end-to-end next generation IT services. The company creates innovative solutions that transform business processes, reduce infrastructure costs and enhance performance – ‘creating business advantage’ for its customers. 2e2 focuses on solutions and managed services for medium and large private and public sector organisations, delivered on premises, in the cloud or as a hybrid. 2e2 has worked with many companies within the telecommunications, media, healthcare, retail, transport, public, financial services and professional services sectors.

2e2 guides its clients towards their goals through a combination of deep-level business and technical expertise, an extensive knowledge of today’s technologies including innovations around web and cloud computing, and a mature and highly capable delivery and services infrastructure.

2e2 has established strong industry ties, with the highest level of accreditation achieved with Cisco, Microsoft, Oracle, HP and Check Point in addition to an eco-system of complementary vendors and ISV’s. This enables 2e2 to deliver a greater breadth of vendor-neutral and unbiased solutions to its customers.

In 2008, 2e2’s Group turnover was £194million. It employs 1,300 staff, operating across the UK, Benelux, Channel Islands and the Isle of Man. For more information, please visit [www.2e2.com](http://www.2e2.com)
